Questions for our midweek Growth Groups and personal reflection

Read Matthew 2:1-18

Faith wonders

When we “wonder” about something, what are we doing?

What was the first question of the magi when they appeared in Jerusalem?
Why did they go to such lengths to find Jesus?

Why didn't Herod know where the Messiah was to be born?

What are the questions people around you are “wondering” about
God/Jesus/Christianity/faith? How will you help them?

What will help you keep your heart open to grow in the wonder of Jesus
rather than going stale?

Faith worships

What were the actions of the magi that revealed their hearts towards Jesus
(v.10-12)?

What did Herod do that showed where his worship lay (v.16)?

In what ways are we more like Herod than we'd like to admit?

How does our worship of Jesus show how wonderful we think he is?

How might we recover a true worship of Jesus in our lives?
